RENTAL AGREEMENT For Minors (Under 18)

Dear Parent or Guardian:

If your child is 17 years of age or younger, they are still considered a minor by law. As their parent or guardian you are still responsible for them. In order for them to be a guest at the Castle in the Sand Hotel, you must fill out this form in it's entirety.

I, (print full name) _____ as parent or Guardian, accept full responsibility for charges or damages related to my minor child.

My child's name is _____ and I, as parent or guardian, have informed my minor child of the rules and regulations of the Castle in the Sand Hotel. I have read the rules and know that my child has read these rules and he/she has signed the rules signifying that he/she agrees to abide by the rules. **I believe that he/she understands them and knows of the consequences of not abiding by them. I understand that in Maryland the legal age to possess alcohol is 21 years. I understand that underage possession of alcohol is against the law and failure to comply will result in eviction, arrest and forfeiture of monies paid. I understand that if my child is evicted for illegal activity he/she will lose the balance of the money paid. I accept responsibility, under Maryland Law, to cover any expenses not paid for by my child.** Guaranteed payment, if needed, will be covered by my credit card. I will be notified if any additional expenses are incurred. Failure to relinquish my credit card information will prevent my minor child from staying at the Castle in the Sand Hotel. The credit card information may be called in to us, but it must be provided.

My child will present a valid driver's license at check-in for identity purposes. Collectively with the other persons sharing the unit, he/she will provide a \$300 Security Deposit for incidentals or damages to the Castle in the Sand Hotel property. The Security Deposit may be refunded at the end of the stay, after the unit has been inspected and it has been determined that he/she has not caused damages anywhere on the Castle in the Sand Hotel property. Incidental charges, damages, evictions or negligence could result in loss of part or all of the security deposit. The security deposit also covers damage to hotel property in general and noise and disturbance of other guests.
